FOIL #s: 19-11-463 and 19-11-464
Your File Numbers: IR #0192 and IR #0205

Dear Ms. Lucas:

This letter responds to your Freedom of Information Law (FOIL) requests of November 25, 2019, in which you requested "[a]n NYSIIS report, filtered by county, listing the number of persons born after November 14, 2001 in each county that are identified as having a record with no immunizations associated with it" and "[d]ocuments sufficient to reflect the number of children in each county in New York State that the DOH's records reflect have not received any vaccines."

I have enclosed a document responsive to your requests. The enclosed document contains counts of individuals born after November 14, 2001 with a record in the New York State Immunization Information System (NYSIIS) and no immunizations reported. Please note, NYSIIS reporting covers all areas of New York State (NYS) outside of New York City (NYC). NYSIIS receives weekly files from NYS Vital Records for every birth recorded at a NYS hospital, excluding NYC. It is possible that a child will move, and no further data will be reported to NYSIIS. Therefore, please be advised that the absence of immunization data for any particular individual does not necessarily indicate non-reporting or a decision to not immunize.

Please note that the same document is responsive to FOIL #19-11-463 and FOIL #19-11-464.

Should you feel that you have been unlawfully denied access to records, you may appeal such denial in writing within 30 days to the Records Access Appeals Officer, Division of Legal Affairs, Empire State Plaza, 2438 Corning Tower, Albany, New York, 12237-0026.

If you require additional information or wish to discuss this matter further, please do not hesitate to contact me at (518) 474-8734.

Sincerely,

Rosemarie Hewig, Esq.
Records Access Officer
