Good afternoon,

We have finished conducting a search for “any and all documents produced or transmitted to each vaccine manufacturer regarding the VAERS reports listed in the table in the FOIA request” with our Office of Biostatistics and Epidemiology and that search has located no responsive records.

Ms. Wilusz,

In our FOIA request, we asked for “any and all documents produced or transmitted to each vaccine manufacturer, as indicated below, regarding” the VAERS reports listed in the table in the request. The FDA’s response states that it “did not locate any FOIA requests where any of the VAERS reports listed in your FOIA request were sent to vaccine manufacturers under the FOIA.”

We did not limit our request to FOIA requests. Please confirm whether any documents concerning the identified VAERS reports were given to the vaccine manufacturers listed in the table via any process or method, not just through FOIA requests.

Thank you,

Gabrielle G. Palmer, Attorney
